Subject: FW: Bristol Bay Career Leadership Bi-weekly Check-in

Folks – Please do stand down for now on efforts related to further document EPA’s position. The current draft letter remains in play among decision-makers, from what we understand, and I don’t see us affecting the pace of deliberations in the very near term, so let’s plan to convene again early next week per Beverly’s message.

Subject: RE: Bristol Bay Career Leadership Bi-weekly Check-in

Hi folks,
I know that this Wednesday’s Bristol Bay check-in meeting didn’t have the full engagement of Dan, Andrew, and myself because of a conflict with an Executive Team meeting. It would be preferable if we could find time early next week after the holiday weekend to reconnect and talk through next steps to ensure we are on the same page. A conversation will be a good way to address the sensitivities around this matter. Thanks.

Beverly
